

## Venice Arts Gallery invites community to latest exhibition

📅 August 10, 2014 📍 Lincoln Blvd, Venice Beach 🧑‍💻 staff

Venice Arts Gallery is currently exhibiting, "Ecotone: Boundaries, Tensions, Integrations," which opened Aug. 2 and runs through Sept. 20.

The exhibition features 17 artists, each exploring and documenting in-between or transitional spaces through photography or video.

These works, investigating interactions caused by human migration or displacement, urban encroachments onto nature, or environmental strain, question how we relate to borders and places of transience, and what exists in these ambiguous spaces.
